1. The Bible (especially in the book of Acts) emphasizes baptism. Do you think baptism is emphasized enough in the churches today? Why do you think “baptism” isn’t taken all that seriously by so many professing Christians? Does baptism bring salvation? If not, why do it at all? (See Matt 28:19-20)

2. Why is it important that Baptism is done in the proper way and with proper understanding? What does baptism mean? (look at Romans 6:3 and Col 2:12) Can you share how it could serve as a beautiful picture (or reminder) of the gospel?

3. Look at Acts 2:38, 41; 8:36-38; 10:47-48. When was baptism done – before or after coming to faith in Christ? Why is this important?

4. Look at the following verses: Acts 8:12-13, 9:18, 16:33, 22:16. What was one of the first responses of believing in Christ? What are some key phrases that suggest that it was done soon after conversion?
